

RANGER ULTRAS

PENNINE BRIDLEWAY PB18 TRAIL TIME TRIAL

Welcome to the Pennine Bridleway PB18 TTT

The PB18 TTT is a low-key race in the usual style of Ranger Ultras events. A combination of fast trails, challenging ascents and superb Peak District scenery. The PB18 TTT is a great opportunity for 'tarmac to trail' runners new to off-road, as well as a great middle-distance trail challenge for experienced athletes. Total ascent is 806 metres.

The TTT concept came from our attempt to adjust to the early challenges of the 2020 Covid-19 outbreak and enable runners to enjoy their trail running while maintaining social distancing. Unfortunately, the pandemic escalated beyond the point where we could offer the event that year and postponed the race for 12 months shortly before the Government lockdown.

The Time Trial is often called the race of truth...the purity of just you and the trail against the clock. This is self-navigation race. We do email a GPX file to all entries well in advance of race day. If you wish to enjoy running with friends, we will allow couples and small groups to start together.

Route finding is straightforward following the well-marked Pennine Bridleway National Trail. Starting in the picturesque village of Hayfield in the Peak District, the course takes runners upstream alongside the River Sett, then ascending, past Mount Famine and around South Head.

Athletes descend to Roych Clough before heading up, past the diminutive Green Low bronze age ring cairn circle, to the race turn at Rushup Edge. Here there will be a selection of light refreshments and water. (Don't forget your personal cup or water bottle, as all Ranger Ultras' races are plastic cup-free). The route retraces back to the finish in Hayfield, where we have medals, trophies and HQ hospitality on offer.

For folks who would like to extend their day, perhaps while waiting for friends to finish the PB55 Ultra Time Trial, The Royal Hotel pub is next door to Race HQ. Hayfield has excellent choice of pubs selling good food and ales, cafes, Italian restaurant, post office, newsagent and B&B accommodation. Hayfield is also home to Ranger Ultras and Ranger Expeditions guided walks.

Our aim is for our races to provide a positive and enjoyable experience in the hills and on the trails. And our ethos is always about facilitating achievement and success. Whether your style is to walk some of the way, jog or run, we hope you will be inspired to rise to the challenge.

Also contained in this document is information, including joining details and navigation notes, which will help you prepare and make the most of your PB18 Trail Time Trial. We look forward to seeing you.

TRAIL PERMISSIONS

Ranger Ultras have obtained the following trail permissions. Please read the following conditions of use carefully. National Trails are maintained to a higher standard in recognition of their national status and high usage. Much of this work is not a statutory of local councils and relies upon volunteers and donations.

National Trails authority for permission to use the Pennine Bridleway
For this we pay a fee of £1-00 for each participant

Trail Running Association £1-00 for each unaffiliated athlete

The PB18TTT is organised with race permit from the Trail Running Association (TRA) and under England Athletics (EA) rules

MEDALS FOR WILDLIFE

Celebrating runners' achievements has always been a huge part of what we enjoy about organising races. Although not every runner wants to take a medal away with them. So after your presentation picture in Race HQ, you now have the choice to put your medal into our Medals For Wildlife box. For every Ranger Ultras medal in the box at the end of each event we'll donate the equivalent medal cost (£3-00) to a wildlife charity.

Similarly if you're fast enough to win a trophy, you may choose to add this to the box and we'll donate £10-00 for each trophy.

We'll then re-use the medals and trophies in future races, which also helps reduce our environmental footprint. But we'd like to emphasise that Medals For Wildlife is optional and if you enjoy the memories that a medal brings, then you're equally welcome to take yours home.

Race Organiser, Stu, has been a supporter of Tusk Trust since running the Lewa Safaricom marathon, Kenya, back in 2008. All our Medals For Wildlife fundraising will go to Tusk Trust.
